USES
Kikkoman Sushi Sauce is great on sushi topped with grilled foods, as well as rolled maki sushi (like Dragon Rolls) and popular “hand roll” cones. But sushi is just the beginning. Think of it as you would a thick teriyaki-style glaze with endless possibilities—from Japanese- and Chinese-style dishes to Thai, Vietnamese, Korean or pan-Asian creations.

Glaze: Brush on meat, seafood, poultry or vegetables right from the bottle—after cooking, or during the final minutes of grilling, baking or broiling.

Stir-fry sauce: Use as a finishing ingredient for stir-fries to add sweet-savory flavor and attractive, thick sauce consistency.
